Qualifier Details

Have I qualified?

You need to be qualified to jump at this show.

Qualification for the National Amateur classes is through double clears or at second round shows. British Showjumping will notify you with a certificate if you have qualified. Please note that you have qualified for the show, you then need to qualify in the preliminary rounds at the show to jump the finals on Sunday.

Your age is your qualification for the Veteran classes (45 years).

How does the block entry work?

You need to enter BOTH A and B Classes in your height section as it is a block entry, whether you jump both classes or not.

A - Preliminary Round (block entry)

B- Preliminary Round (block entry)

C- Final

How do I enter the final?

If you qualify in the prelim classes (A or B) we will automatically enter you for the final (C). The top 25 qualify for the final, which is passed down the line if competitors have already qualified in the A class. If there are more than 100 starters, one in four will qualify.

Double clears in the A and B class also qualify for the final.

Please ensure you settle your account at the show office or withdraw from this class if you decide not to jump (before the draws are published).

Can I jump in the fun classes?

Absolutely and they really are fun! Anyone who is qualified to jump at the show, whether amateur or veteran can enter the fun classes. You must compete in a National Amateur or Veteran class to be eligible to compete in a fun class.

A COMPETITOR INFORMATION EMAIL WILL BE SENT TO ALL COMPETITORS ONCE ENTRIES HAVE CLOSED WITH FULL DETAILS ABOUT THE SHOW

In the event of insufficient entries lower prizes will be withheld. Rule - 76.6

The order of starting must be drawn.

This competition takes place over six, eight or 10 obstacles which are progressively more difficult. No combination obstacles are allowed. The progressive difficulty is not solely due to the height and spread of the obstacles, but also to the difficulty of the track.

Points are awarded as follows:

One point for obstacle No. 1 cleared, two points for No. 2, three points for No. 3 etc. with total of 21, 36 or 55 points.

No point is awarded for an obstacle knocked down. Faults other than knock-downs are penalised as for Table A and any of these faults, including time faults, are converted into points and deducted from any jumping points scored.

In the event of equality of points for first place, there will be a jump-off against the clock over a shortened course, over obstacles that may be increased in height and/or spread. The obstacles in the jump-off must be jumped in the same order as in the first round and retain their respective points allotted in the first round.

This competition may also take place directly against the clock.

For the last obstacle of the course, an alternative obstacle may be provided, of which one part may be designated the Joker. The Joker must be more difficult than the alternative obstacle and carry double points. If the Joker is knocked down, the points must be deducted from the total.
