### **Do I need to qualify for this show?**

You need to be qualified to jump in the Amateur classes at this show.  
Your age is your qualification for the Veteran classes (45 years and over).

### **Have I qualified?**

Qualification for the National Amateur classes is through **5 double clears** at first round shows or qualifying at a second round show.

British Showjumping will notify you with a certificate if you have qualified.

Please note that if you have qualified for the show through the amateur first and/or second rounds, you then need to qualify in the preliminary rounds (A & B classes) at the show to jump the finals on Sunday.

### **How does the block entry work?**

You need to enter BOTH A and B Classes in your height section as it is a block entry, whether you jump both classes or not.

A - Preliminary Round (block entry)

B - Preliminary Round (block entry)

C - Final

### **How do I qualify for the final?**

The top 25 qualify for the amateur finals, which is passed down the line if competitors have already qualified in the A class. If there are more than 100 starters, one in four will qualify. Double clears in the A and B class also qualify for the final.

### **How do I enter the final?**

If you qualify in the prelim classes (A or B) we will automatically enter you for the final (C). Please ensure you settle your account at the show office or withdraw from this class if you decide not to jump (before the draws are published on Saturday evening).

### **Can I jump in the fun classes?**

Absolutely and they really are fun! Anyone who is qualified to jump at the show, whether amateur or veteran can enter the fun classes. You must compete in a National Amateur or Veteran class to be eligible to compete in a fun class.

Hazelden Saddlery 1.15m Challenge - A, B & C classes (block entry)

Accumulator with Joker

Points are scored in accordance with Rule 277 (Fault and Out). The order of starting must be drawn. This competition is for teams of two competitors. The other team member (the rescuer) must take over and continue the course at the next obstacle beyond the point at which the error occurred. Failure to do so incurs elimination. Each team member continues to rescue the other whenever an error is made. At the end of the time allowed the bell is rung and the competitor who is then jumping must cross the finishing line. Failure to do so incurs the elimination of the team. The competition is decided on points.
