GENERAL RULES

PLEASE TAKE THE TIME TO READ THE RULES FOR THE SHOW

1. For RoR registered horses only, holding current Competition Membership and for riders/handlers aged 15 years or over at 1st January 2026
2. Registration link: <https://www.ror.org.uk/registration>
3. The Rules of RoR will be in force at this event: <https://ror.org.uk/welfare-at-our-training-and-competitions>
4. Anyone mounted on a horse at any time, must wear a current standard safety hat with the chin strap fastened correctly
5. All ridden horses, dressage, showing and jumping, must be aged 4 years or over. Stallions are permitted to compete in Dressage, Show-Jumping and Arena Eventing and must be identified by a Stallion Disc on the bridle and/or the rider must wear a yellow cross body band. Stallions and colts are not permitted in any showing classes including the Challenge.
6. In the interest of horse welfare, RoR has implemented new conditions for anyone entering a horse at this event.
 - a) If, in the opinion of the Organiser and/or RoR, any horse's welfare is believed to be compromised, the immediate removal of that horse from any arena will be requested
 - b) RoR discourages the showing of over fat horses in ALL show classes and judges will take this into consideration when making their awards.
 - c) RoR reserves the right to disqualify competitors at RoR events if in the opinion of the officials there is a mismatch between the weight and size of the rider and the horse. The official's decision is final.
 - d) Policy Statement: There is widespread concern that the welfare of certain horses is being compromised by overweight riders. There are many other factors involved, including the skill and fitness of the rider; the weight, size and fitness of the horse; the nature of the exercise and the suitability of the tack. As a general guide the weight of the rider and saddle should not exceed 17% of the horse's optimum weight consistent with a body condition score of 3/5. In practical terms this means that a 500kg thoroughbred can carry up to 13 1/2 stone. An overweight horse with a body condition of 4/5 (fat) or 5/5 (obese) is already carrying significant burden and the weight of the rider must be reduced accordingly. The maximum permissible ratio is 20%, so if the weight of the rider and saddle together is subsequently found to be in excess of 20%, then that competitor will be disqualified.
 - e) If, in the opinion of the Judge/Judges, in any class, a horse is unsound, the horse must be withdrawn from the show by the Participant and/or Owner and leave the ring. A Judge may also ask a Participant and/or Owner to remove his horse from the ring, if in his/her opinion the horse or the Participant or Owner, is ill-mannered. If in the opinion of the Judge the behaviour of a horse is deemed unacceptable, it will be reported to RoR and will be reassessed at its next show by a person appointed by RoR.
7. An independent Welfare Stewarding Team will be onsite to help educate and advise on matters relating to the wellbeing of former racehorses competing at this event. The team welcome questions from members.
8. There will be routine sampling taking place at this event under FEI ruling. For more details about banned substances: <https://inside.fei.org/content/anti-doping-rules>
9. The organisers of this show have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the Organisers and all the Officials and Stewards
10. OBJECTIONS must be made in writing and accompanied by a deposit of £100. The deposit will be returned upon successful acceptance and approval of such objection. Any objections must be lodged with the RoR MD by the end of the event on Sunday 23rd August 2026 by emailing info@ror.org.uk
11. In the event of any class being over/under subscribed, we reserve the right to cancel any open class of our choice and a full refund of entries will be given, less the original booking fee.
12. It is the competitor's responsibility to check each individual class criteria for eligibility.
13. In the event of the dressage classes being oversubscribed, a waiting list will operate
14. The Organiser reserves the right to change the Ring allocation if entries/weather conditions warrant.
15. It is the competitors responsibility to enter the classes that they are qualified and eligible for and to read the schedule. Entries will be forfeited if entrants are not eligible.
16. All entrants must also adhere to Aintree International Equestrian Centre's terms and conditions which can be viewed on <https://aintreeequestriancentre.co.uk>
17. Save for death or personal injury caused by the negligence of the Organisers, RoR or anyone for whom they are in law responsible, neither the Organisers, RoR nor any agent, employee or representative of these bodies accepts any liability for any accident, loss, damage, injury, illness to horses, owners, riders, grooms, spectators, dogs, exhibitors, land, cars, their contents and accessories, or any other person or property whatsoever, whether caused by their negligence, breach of contract or in any other way whatsoever. The organisers of this event have taken all reasonable precautions to ensure the health and safety of everyone present at this event. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents. They must obey the instructions of the organisers and all officials and stewards.
