Do I need to qualify for this show?

You need to be qualified to jump in the Amateur classes at this show. Your age is your qualification for the Veteran classes (45 years and over).

Have I qualified?

Qualification for the National Amateur classes is through **5 double clears** at first round shows or qualifying at a second round show. British Showjumping will notify you with a certificate if you have qualified. Please note that if you have qualified for the show through the amateur first and/or second rounds, you then need to qualify in the preliminary rounds (A & B classes) at the show to jump the finals on Sunday.

How does block entry work?

You need to enter BOTH A and B Classes in your height section as it is a block entry, whether you jump both classes or not.

A - Preliminary Round (block entry)

B - Preliminary Round (block entry)

C - Final

How do I qualify for the final?

The top 25 qualify for the amateur finals, which is passed down the line if competitors have already qualified in the A class. If there are more than 100 starters, one in four will qualify.

Double clears in the A and B class also qualify for the final.

How do I enter the final?

If you qualify in the prelim classes (A or B) you then **enter yourself in the final** (C) via Horse Monkey. Please ensure you settle your account at the show office or withdraw from this class if you decide not to jump (before the draws are published, no refunds once the draw is published).

Can I jump the fun classes?

Absolutely, and they really are fun! Anyone who is qualified to jump at the show, whether amateur or veteran can enter the fun classes. You must compete in a National Amateur or Veteran class to be eligible to compete in a fun class.

Fun classes are as follows:-

Synovium Horse Health Supplements UK 1m Challenge - A, B & C classes (block entry)

Hazelden Saddlery 1.15m Challenge - A, B & C classes (block entry)

Accumulator with Joker

Fergal Farm Stud Pairs Fancy Dress

Do entries fill quickly?

Entries for the fun classes do fill quickly as the entry numbers for these classes are capped, due to the National Amateur and Veteran classes having priority on class entry numbers. Please note that entries will close early if we reach capacity, even for the amateur & veteran championship classes

A COMPETITOR INFORMATION EMAIL WILL BE SENT TO ALL COMPETITORS ONCE ENTRIES HAVE CLOSED WITH FULL DETAILS ABOUT THE SHOW

In the event of equality of points for first place, there will be a jump-off against the clock over a shortened course, over obstacles that may be increased in height and/or spread. The obstacles in the jump-off must be jumped in the same order as in the first round and retain their respective points allotted in the first round. This competition may also take place directly against the clock. For the last obstacle of the course, an alternative obstacle may be provided, of which one part may be designated the Joker. For registered horses to be ridden by Adult, Associate or Junior Members. This competition is for teams of two or more competitors as stated in the schedule. The competition is judged under Table C and the starting order must be drawn. All members of the team enter the arena together. The first competitor jumps the course and having jumped the last obstacle passes the baton to the next member of the team, who then jumps the course and so on. Failure to pass the baton incurs elimination. If a competitor makes an error for which the normal penalty is elimination, the bell is rung and the next member of the team takes over the baton and completes the course before starting his/her own round. If the last competitor in the team makes such an error, the first member of the team takes over and so on. If the baton is dropped, the competitor must dismount (without penalty) recover the baton and remount before continuing his/her round or passing the baton to the next member of the team. Failure to do so incurs elimination. The first competitor only of each team is required to cross the starting line and the last competitor only of each team to cross the finishing line. The team time is the time from the first competitor crossing the starting line to the last competitor crossing the finishing line minus interrupted time plus time penalties.
